

Assignment 8

1 Instructions

Exercise 1. Prepare a \LaTeX version of your résumé or curriculum vitae.

Exercise 2. Prepare a cover letter to pair with your résumé (this can be for a fictitious position).

For either of these exercises you may use the templates I have provided, create your own style, or use resume or letter classes available on CTAN.

See <https://careerservices.calpoly.edu/explore-services/resource-toolkit/resumes-letters> for advice on writing resumes, cover letters, and thank you letters.
